

**FACULTY OF VETERINARY MEDICINE**  
**University of Veterinary and Pharmaceutical Sciences Brno**

The conditions and criteria for admission to the Master's study programme of Veterinary Medicine carried out in English language for the academic year 2016/2017 approved by the Academic Senate of FVM UVPS Brno on 8<sup>th</sup> October 2015.

According to Section 49 paragraph 5 of the Act No. 111/1998 Coll. On Higher Education Institutions and Amendment of Other Acts (the Higher Education Act), I issue the conditions for admission for the academic year **2016/2017**.

1. Admission to the Master's study program is conditional upon the completion of full secondary education - Section 48 paragraph 1 of the Act on Higher Education.
2. Secondary education obtained from a foreign secondary school (except Slovakia) must be documented by a certificate of equivalence or validation clause, issued by the study departments of the regional authorities.
3. Faculty of Veterinary Medicine UVPS Brno states according to Section 49 paragraph 1 of the university the following additional conditions for admission:

The entrance examination will be held in the form of a written test in biology and chemistry based on secondary schools curriculum. Questions are answered by ticking the corresponding correct answer from several options.

**Scoring:**

Biology: 37 questions - for each correct answer 1 point - maximum number of points 37

Chemistry: 37 questions - for each correct answer 1 point - maximum number of points 37

The test is passed if candidate obtains at least 18 points from the biology test and 18 points from the chemistry test.

**The maximum score of points**

**74**

**Admission procedure will be held in the English language. On the basis of the total number of points awarded to each applicant the candidates will be ranked for a decision on admission / non-acceptance to studies. Students will be admitted to studies under this order. Providing study department with a school-leaving certificate is a condition for being accepted. For the academic year 2016/2017 the faculty opens the capacity for maximum number of 50-80 candidates.**

The first deadline for submitting applications is **31<sup>st</sup> March 2016**. Entrance examination must be done in period from **1<sup>st</sup> April till 10<sup>th</sup> May 2016**.

In case the capacity of study program is not fulfilled after this date may be further admission procedure, with the deadline for submitting applications by **8<sup>th</sup> July 2016**. Entrance examination must be done in period from **9<sup>th</sup> till 17<sup>th</sup> July 2016**.
