

FACULTY OF VETERINARY MEDICINE
University of Veterinary and Pharmaceutical Sciences Brno

The conditions for admission to the Doctoral Degree Study Programme (DSP) at the Faculty of Veterinary Medicine (FVM) of the University of Veterinary and Pharmaceutical Sciences Brno (UVPS Brno) for the **academic year 2016/2017 in English language**.

According to § 48 sect. 3 of the Act no. 111/1998 Coll., on Higher Education Institutions and on the Amendment and Supplement to Some Other Acts (the Higher Education Act), and based on the article 5 of the Study and Examination Rules of the Doctoral Study Programmes at the University of Veterinary and Pharmaceutical Sciences Brno, I hereby publish the conditions for the admission to studies in the doctoral degree study programme for the **academic year 2016/2017** approved by the Academic Senate of FVM UVPS Brno on 8th October 2015.

The conditions for admission to the studies are:

- proper completion of studies in a master's degree study programme (in case of foreigners a completion of equivalent study, diploma from foreign university officially recognized by the relevant university in the Czech Republic),
- submission of the application to study at the Study Administration Office of the Faculty supplemented by a verified certificate of successful completion of the master's degree study programme, curriculum vitae with the data about the master's degree study programme, professional or scientific and research activities, a list of publication and lecturing activities and other appendices characterizing the proficiency of the candidate (in case of foreigners equivalent documents) and two passport photos within the term determined by the Dean of the faculty, i.e. **by 30th June 2016**.

The Faculty of Veterinary Medicine VFU Brno is setting according to § 49 sect. 1 of the Act no. 111/1998 Coll. these further conditions for admission to studies:

- specialist competence and qualifications for scientific work and individual creative activities in the field of research and development. These qualifications are verified by the entrance examination, which generally has a form of an oral interview with the applicant in front of the admission commission with the focus on the issues of the study field. After the interview the commission shall carry out an expert assessment of the presented documents, the results achieved within the master's degree study programme, professional skills, qualifications for scientific work and individual creative activities.

The admission procedure will be carried out in the English language. The regular terms of the **admission examinations are appointed on 15th July 2016 – 29th July 2016**.

Applicants who fulfil the conditions prescribed for admission to the DSP will be invited in writing by the Study Administration Office of the Dean's office to the admission interview 14 days before its holding at the latest. A candidate who fails to attend the admission examination in time or to submit all the required documents cannot be accepted to study in the DSP.

The Dean shall decide upon the admission or non-acceptance of the DSP candidate on the basis of the admission procedure results. A written decision on the admission or non-acceptance to the DSP shall be sent to the DSP candidates within 30 days after the entrance examination.
